About the course:

[Tidewater Golf Club](#) is an 18-hole championship design located in North Myrtle Beach, SC. Called by some "The Pebble Beach of the East", it offers the rare combination of natural beauty and a challenging layout. It features stunning views of the Intracoastal Waterway and the quaint seaside town of Cherry Grove. Tidewater has the distinct honor of being the only course in history to hold the #1 rank for new public golf course in Golf Digest and Golf Magazine in the same week.

About the foundation:

[Gene's Dream Foundation](#) was created in honor of the late Gene Weldon, a 40-year PGA Professional in the Carolinas PGA Section. Weldon was instrumental in the development and support of junior golf programs in the Myrtle Beach area. He was a mentor to many, including Golf Channel's [Kelly Tilghman](#) and [Charlie Rymer](#).

Through the guidance and efforts of Tilghman, Rymer, Gene's son Wil, his best friend Joe White and the rest of this dedicated team, Gene's Dream Foundation keeps Gene's dream alive by continuing to provide much needed support to programs that expose children to the core values the game of golf has to offer.
